Ramona Cedeño, CPA

KEYNOTE SPEAKER

FINANCE & ACCOUNTING TRAILBLAZER

About Ramona

Ramona is an accounting and finance expert and CEO of Fibrick, a leading accounting firm for technology companies and small businesses. Her superpower is transforming startups and small businesses into profitable powerhouse companies. Ramona is a CPA, CFP, and CGMA with 20+ years of experience. Before starting FiBrick, she was the CFO of Handy, and an accounting leader at Time Inc. and other Fortune 500 companies. She has guided dozens of technology startups through mergers and acquisitions, funding rounds, and exits. Her love of accounting, finance, technology is rivaled only by her love for empowering others. She's a charismatic keynote speaker whose infectious warmth and energy have filled up notable conferences and events of all sizes. She inspires and educates audiences with her dynamic keynotes, TED-style talks, and workshops.

The 3 Steps to Finally Master Money

In this talk Ramona tells the story of her journey from growing up in the Dominican Republic with a financially-savvy role model, her father, to charting her own way in the United States as a business leader, and making waves in her industry. Through her personal story, she shares the powerful money principles that have guided her success along the way. She shares her insights in a clear and relatable way to empower other entrepreneurs to achieve their own financial transformation.

> "Ramona Cedeno is a rock star in the accounting profession!...She has amazing energy, ideas and insight and is able to speak to our audiences in a clear, concise and effective way. I am quite sure that most everyone left the room that day wanting to be Ramona Cedeno!
